**Commenting on the results for the year, Mr. C.S. Nopany, Executive Chairman, Sutlej Textiles and Industries Ltd said:**

*“The challenging business environment continued with subdued domestic demand and falling exports due to the global slowdown. Sutlej continued its efforts of cost cutting, improving efficiencies, debottlenecking and realigning its product mix. This has helped us in maintaining profitability and perform better than the industry average. We believe that, while the present challenges are likely to continue in short term, our business fundamentals are strong which will enable Sutlej to deliver a strong performance once the economic scenario improves.”*

## Key Developments

- **Greenfield Project – Green Fibre Project to manufacture Polyester Staple Fibre (PSF) by recycling of pet bottles, under implementation at Baddi (HP).**
  - Commenced work on the project for setting up of a Green Fibre project to manufacture Raw White & Black Recycled Fibre with capacity of 120 MT/Day.
  - Civil Work is under progress and orders for most of the critical machineries have been placed.
  - Progress of project is as per schedule and Commercial production is expected to start in Q1FY20-21
- **Home Textiles Division Modernization.**
  - Modernization project at Home Textiles Division with some key machineries which will expand our product portfolio is under implementation. Orders of most of the critical machineries have been placed and machines are under installation.
- **Modernisation Update.**
  - Invested around Rs.20 crore during H1FY20 towards technology up-gradation and debottlenecking, etc. This will result in further improvement in efficiency and sustaining plant utilization.
